Project Title

Wapato Janitorial Services

Location: 5230 Konnowac Pass Road
Wapato, WA 98951

General Information

1.0 Background and Purpose

This is a non-personal services contract to provide janitorial services at the USDA Agricultural Research Service (ARS) Wapato Worksite. Contractor employees are accountable solely to the Contractor, who is responsible to the Government. The Contractor shall provide all labor, equipment, materials, supplies, supervision, and transportation necessary to perform janitorial services in accordance with this statement of work (SOW). The objective of this contract is to maintain safe, clean, and sanitary facilities that support USDA ARS operations. The Contractor shall coordinate with the Contracting Officer's Representative (COR) to ensure performance meets USDA ARS quality expectations while minimizing disruption to facility occupants. The Contractor shall provide full janitorial services for areas and restrooms identified at the USDA ARS Wapato Laboratory. Services include general cleaning, disinfection, restocking, waste removal, sweeping, mopping, vacuuming, and periodic floor maintenance. USDA ARS may add or remove building areas through written contract modification. The Contractor shall obtain and maintain all licenses and permits required by applicable federal, state, and local laws.

The period of performance consists of one (1) base year and four (4) option years. Specific dates will be detailed in the solicitation or award. All services shall be performed at the USDA ARS Wapato Laboratory located in Wapato, Washington. It is highly recommended to attend the scheduled site visit. Janitorial services shall be performed Monday through Friday between 0730 and 1430, excluding federal holidays and facility closures. The Contractor must maintain adequate staffing to ensure timely performance of all tasks. Work shall not be performed on federal holidays. If a holiday falls on a scheduled service day, the Contractor shall perform services on another day within the same work week. Federal holidays: New Year's Day, Martin Luther King Jr. Day, Presidents' Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Christmas Day.

This is a performance based commercial services contract. USDA ARS specifies what must be achieved; the Contractor determines how to achieve required outcomes. The Contractor must comply with OSHA and USDA safety requirements, including PPE, signage, safe chemical handling, SDS documentation, and equipment safety. Environmental, Safety, Security, and Conduct Requirements. The Contractor shall comply with all environmental, safety, security, identification, and conduct requirements. All unsafe conditions, environmental concerns, or security issues must be reported verbally and in writing within 24 hours. The Contractor shall report any lost keys, access cards, or access devices within 24 hours. The Contractor is responsible for all replacement, re-keying, or security costs caused by the loss. The Contractor shall provide all equipment, materials, and cleaning agents not furnished by the Government.

2.0 Definitions

United States Department of Agriculture (USDA). Agricultural Research Services (ARS). Contracting Officer's Representative (COR).
